Subject: [CTL- MSP] Flex Grants: Call for Applications

Dear Faculty and Librarians,

The Center for Teaching & Learning (CTL) is currently offering grants of \$500 to support **teaching/faculty development** for Massachusetts Society of Professors (MSP) members, as funded by the campus through the MSP contract. Flex Grants can be very helpful for faculty projects that include:

- Travel to enhance teaching or area knowledge
- Membership in professional associations
- Classes or workshops to enhance teaching or area knowledge
- Books
- Software
- Equipment
- Catering a meeting or seminar
- Inviting a speaker to campus
- Hiring a graduate or undergraduate student to support teaching related projects
- Other resources that enhance professional development related to teaching

In order to respond to the emergent needs of faculty, **one proposal per faculty/librarian** will be accepted on a rolling basis until the fund is exhausted, but no later than **May 1, 2022**. For more information and the grant application, please see the CTL website:
