

## WHAT MSP CAN DO FOR YOU

Attending a Workshop on the Promotion Process is a good way to get information and begin taking charge of your promotion. But there is a lot more that the MSP Faculty Advocates and staff can do for you! Here are a few of the most commonly sought services:

- 1) Consulting on any issue of eligibility for the promotion review.
- 2) Look over personal statements before promotion packet submission.
- 3) Read and evaluate promotion review letters at each stage and advise about appropriate responses (if any).
- 4) Seek additional time in which to respond to any level of promotion review if needed.
- 5) Help to construct/edit a response to any letter containing a negative recommendation or inaccurate information.
- 6) Troubleshoot and/or intervene when the promotion process is in question.
- 7) Talk to the administration on the candidate's behalf.
- 8) Seek and negotiate settlements when appropriate.
- 9) Provide a confidential sounding board and an objective perspective for any concerns regarding the promotion review process.
