

## Article 12. Faculty Personnel Standards and Procedures

- 12.1 High professional standards must be the basis for all personnel decisions. Personnel recommendations and decisions shall be made only after a review of all the qualifications and all the contributions of the individual in the areas of teaching; of research, creative or professional activity; and of service. All three areas must be considered but the relative weight to be given each may be determined in the light of the duties of the faculty member. Final decisions are made only after giving serious consideration to all the materials in the basic file as well as to the professional judgments of the Departmental Personnel Committee, which are and ought to be given great weight.
- 12.2 In order to maintain the academic excellence of the University, current academic standards and criteria for faculty personnel actions, except as modified in this Agreement, shall remain in effect for the duration of this Agreement.
- 12.3 All academic departments shall establish bylaws by a majority vote of all departmental faculty. Such bylaws must comply with applicable laws, University policies, and this Agreement and shall be reviewed by the University Administration and the Union in order to ensure such compliance.
- 12.4 The faculty at the departmental level shall establish once each year, in timely fashion, a Personnel Committee to exercise the responsibilities described in Sections 11.1, 12.1, and 12.2 and Articles 21, 26, and 33. In a department with fewer than four (4) faculty members, the faculty and Dean shall agree upon the selection of a specific faculty member or members from outside the department who shall be asked to serve on the committee.
- 12.5 In each college or school there shall be a Personnel Committee of the faculty to review departmental level recommendations. The committee shall be chosen by procedures established in a manner designed to represent the interests of the faculty of each college or school. Said committee shall forward its recommendation to the appropriate Dean.
- 12.6 No faculty member on a Personnel Committee shall participate directly in any recommendation or decision relating to appointment, reappointment, promotion or tenure at the University of any parent, child, spouse, sibling, parent-in-law, sibling-in-law, child-in-law or stepchild. A faculty member should withdraw from participation in any personnel recommendation or decision involving potential conflict of interest. This provision shall not be subject to Article 25, Grievance Procedure.
- 12.7 In reviews for major personnel actions for faculty--reappointments through the tenure decision year, promotion to the ranks of associate professor and professor and the award of tenure--the procedures listed below shall be followed:
  - 12.7.1 Notice of a personnel review for reappointment or tenure shall be sent to the faculty member no later than the end of the third calendar week of the semester in which the review is to be initiated.
  - 12.7.2 As provided in Sections 24.4 and 24.5, a basic file shall be created for each major personnel action. This file shall be supplemented and reviewed at the departmental level and supplemented and reviewed at each successive level of recommendation or decision. The file shall contain the materials listed in Subsection 12.7.6.
  - 12.7.3 The faculty member shall submit to the Department/Program Chairperson/Head any and all materials for inclusion in the basic file that he/she believes will be essential to an adequate consideration of the case.

- 12.7.4 For appointment at or promotion to the rank of associate professor and professor and for all tenure recommendations, the Chairperson/Head shall solicit outside letters of reference drawn from a list of scholars and/or professionals. The solicited referees shall include scholars and professionals from among those suggested by the faculty member (if he/she wishes to do so), but the list is not limited to those the faculty member suggests. Prior to this solicitation, the candidate shall be provided with a copy of the solicitation letter and the list of proposed referees and shall be given an opportunity to comment on the appropriateness of both.
- 12.7.5 At any time subsequent to the recommendation of the Department Personnel Committee, the materials in the basic file, with the exception of letters of recommendation to which the faculty member has voluntarily waived access, shall be accessible to the faculty member upon request.
- 12.7.6 The basic file shall contain the following materials:

    - (1) a table of contents;
    - (2) a current curriculum vitae (including a bibliography and/or comparable list of professional accomplishments);

    - (4) evaluations of teaching effectiveness, including but not limited to those of students;
    - (5) letters of reference solicited by the Chairperson/Head and a description of the professional standing of the writers of letters of reference from outside the University and a statement of any relationship the writer may have had to the faculty member;
    - (6) evaluations of service;

    - (8) the recommendation and the numerical vote at the departmental level;

When material is added to the basic file beyond the departmental level, the Departmental Personnel Committee (or other appropriate mechanism) and the Chairperson/Head shall have opportunity to respond as to its substance and appropriateness; unless it is protected by waiver, the faculty member shall also have this opportunity.
- 12.7.7 A copy of the table of contents and the recommendation from the Personnel Committee shall be sent to the faculty member when the basic file is forwarded to the Department Chair/Head.

- 12.7.8 A copy of the updated table of contents and the recommendation from the Department Chair/Head shall be sent to the faculty member when the basic file is forwarded to the School or College Personnel Committee.

- 12.8 A copy of any recommendation or decision made by a Personnel Committee or academic administrator with respect to a faculty member's sabbatical leave application and Periodic Multi-Year Review shall be sent to the faculty member at the time the recommendation is forwarded to the next level of review or the decision is made.
- 12.9 The Administration shall not establish a tenure quota. However, the Administration reserves the right in making personnel decisions (1) to consider institutional need and flexibility, as well as departmental affirmative action goals (considering the nature of the positive contribution that affirmative action is able to make to the diversity of perspective that is essential to the well-being of the department and the University community) and (2) to establish long-range plans to ensure that institutional flexibility is preserved; provided, however, that:
  - 12.9.1 the faculty shall be given the opportunity to contribute to the development of such plans;
  - 12.9.2 all officially adopted (i.e., by the Board of Trustees) long-range plans from departments/programs, colleges, campuses, and University shall be made available on request to individual faculty members, governance bodies, and the Union; and
  - 12.9.3 when such plans are used in conjunction with a tenure recommendation or decision, the basic relevance of the plan is to demonstrate that the personnel action is not inconsistent with the long-range interests of the University
