As reported on the ballot, there were four open seats on the MSP Executive Board and six candidates running. The four candidates to receive the most votes and who are therefore duly elected effective 7/1/26 are, in alphabetical order by first name:

Adam Dahl (SBS)
Christine Hatch (CNS)
Diana Sierra Becerra (HFA)
Michael Ash (SBS)

Congratulations! You will soon be receiving official notice of your election including details about your term of office and future meeting schedule.

Thank you so much to all the candidates who ran in this election AND to all MSP members who registered their vote!
