Colleagues,

We've received many questions about the nine(!) ballot questions coming this November.

The MSP Executive Board voted today to recommend a NO vote on questions 3 and 5.

Our parent statewide union, the MTA, also has recommendations on many of the ballot questions and on some statewide races. You can see their recommendations in MTA Today online, or with more detail in the attached PDF or in the copy of MTA Today in your email or mailbox.

Please write to the office (msp@umass.edu) and let us know if you'd like to be put on a list for lawn signs -- if we get enough requests or if MTA does a run of them, we'll be happy to reach out and let you know they are ready to be picked up!

In solidarity,
Jacquie Kurland and Marc Liberatore
