Hello all,

I know it's a busy week as we all work to finalize grades. But if you're in the state retirement (pension) system, please vote for Lenore Palladino (or if you're a retiree, Matthew Scheffler) to serve on the PRIM board, which oversees a fund of over $120 billion that funds all of our pensions. Voting closes May 22.

If you never received a ballot in the mail, you can get an electronic one by sending a single email to Help+PRIM@yeselections.com, CCing FDaniele@mapension.com, and including your name and address. I sent the following email and received my ballot minutes later:

> I am a member of the state employee retirement system and have not received my PRIM ballot. May I have a replacement? I am fine with voting electronically and do not require a paper ballot.

Please take a moment to vote, and thanks for doing so.

In solidarity,
Marc Liberatore
