Are you contemplating retirement or just want to know more about the process? If so, MSP is inviting you to a workshop where you will hear from three MSP retirees who will share with you their experiences including their post-retirement finances, health and dental insurance selections, research and scholarship opportunities, and teaching/life choices. We will have about 60 minutes of presentations followed by 45-60 minutes of questions from attendees.

This workshop is not a comprehensive overview of retirement – for that you should enroll in a workshop offered by Workplace, Learning & Development. This MSP offering is more about the practical experiences of retirees though there will be some detail on the steps to take prior to filing for retirement. We strongly recommend that you attend one of the Workplace, Learning & Development retirement workshops. More information about the steps to retirement can be found at: www.umass.edu/hr/benefits-and-pay/work-life-events/retiring-and-thinking-about-retirement.

The MSP workshops will be held from 2:30-4 PM in the Campus Center. Space is limited so be sure to RSVP as soon as possible but not later than Wednesday, April 1st.
