People over profit!!! MSP is proud to co-sponsor this year's May Day rally in Holyoke.

Join your colleagues and dozens of local union and community organizations to build our collective resistance and to fight the unrelenting attacks on education, research, and democracy!

Our friends and union siblings at MTA, the Western Mass Area Labor Federation, and across the region are calling for your support in this coordinated demonstration. Our action will be part of a massive mobilization from coast to coast to demand and defend fair contracts, academic freedom, and affordable communities.

Let us know if you're planning to march with the MSP banner in Holyoke this Friday from 4:30-6:00 in downtown Holyoke. We'll gather at Heritage State Park at the corner of Dwight & Heritage St. Food trucks will be available afterwards. Reach out to MSP organizer Kristen Streahle (kstreahle@umass.edu) to sign up and/or for more information.
