

## **4/6/21 Allunit: MSP Grant Program accepting applications until 5/1/2021**

The MSP grant program was established in 2010 as a way to provide support for our members' activities that advance the mission of the MSP. Successful grants enhance the union's work in areas such as membership involvement, political action, improving working conditions, internal organizing, coalition building and addressing diversity issues. Funding can be used to support events and campaigns, as well as research projects.

Applications are due 5/1/2021. For more information and how to apply, please see our website on the [MSP Grant Program](#).
