Every year MSP gets questions from members concerning the roles and responsibilities that go along with sitting on a DPC or CPC. This workshop has been designed to assist and inform Personnel Committee members and committee chairs as they go about making important decisions concerning tenure, promotion, PMYR, issues concerning NTT faculty, etc. There will be plenty of time for Q&A from participants so please bring your questions with you.

Lunch will be served at the workshops and space is limited so please register ASAP but not later than September 21st.

Thanks, and we look forward to seeing you!
