

8/8/24 [AllUnit] Rally for childcare TODAY at 3:30 pm

If you're on campus, please join us for a short rally this afternoon to support accessible and affordable childcare on our campus! Join 150 union members from a wide range of unions, to deliver a petition to Chancellor Reyes. We are joining together to support high-quality childcare – especially infant and toddler care – to meet the needs of faculty, librarians, staff, and student parents. This is a high priority for all of our unions and especially important to our equity agenda.

Meet at 3:30 TODAY at the stairs behind the Campus Center. We will march to Whitmore, where a small delegation of union members will deliver the letter. Please join us in solidarity!
